NOTE FOR PARENTS –

Parents are informed that the question paper in all subjects will be from within the chapter, classroom discussions, and exercises given at the back of the chapter.

Questions will be set from within the chapter, and students are expected to be attentive in class and participate actively in all learning activities.

Additional learning activities in all subjects, enrichment tasks, and revision exercises will be conducted during class hours under the guidance of the teacher. Surprise tests will also be conducted from the taught chapters to support regular learning.

Parents are encouraged to support and motivate their child to speak in English and, for best internal assessment, participate in all class activities.

Rote learning is to be avoided. Our objective will be to emphasize learning and gaining knowledge.
